WVUC Initiatives

Affordable Rental and Supportive Housing

... for people with enduring mental illness, on church land in Curtin. We are working with Wesley Mission, MyHome in Canberra and the ACT Government to provide these types of housing which are desperately needed in Canberra.

Against the Wind

An initiative of members of WVUC and people concerned with justice. Advocates for a fairer and kinder Australia. Social gatherings, regular newsletter and public seminars.

Community Meeting Place

Our halls and meeting rooms provide a venue and facilities for playgroups, activities for older people (including several U3A classes) and many other musical, dance, educational and exercise programs.

Do you value a church that:

- Welcomes people just as they are, wherever they are on their spiritual journey.
- Offers a safe and open place for people to worship, learn, and grow in their faith.
- Encourages people to, take seriously, and wrestle with, the ancient stories of the Christian faith, in the light of current knowledge and experience.
- Is concerned to address injustice, and stand with those affected by unjust policies, systems and attitudes.
- Takes the life, and teachings of Jesus Christ as the model for care, compassion and community, while recognizing and respecting other religious traditions.
